Dear Crew Chief:

We are sending you this letter as the crew chief of one of the crews that officiates OK Conference football games. The officials that work our games come from several different organizations, and we have noticed that there is a lack of consistency in the mechanics that are used from one group to another. Our goal is to improve the quality of the entire game experience for all-officials, coaches, and players. Consequently, we are hosting a mandatory clinic featuring guest speakers with NFL, FBS, and FCS experience who will make this a positive experience for clinic attendees. Please see the enclosed sheets for more information.

We are requiring each crew to send at least one representative to the clinic. We strongly encourage your entire crew to attend. We feel that establishing consistency is such an important goal for all of our crews, those crews that fail to have a representative attend will not be scheduled for OK Conference games in the 2018 season.

We are looking forward to your group's participation.

Sincerely,

Jim Haskins
OK Conference Commissioner.
