

OK Conference Football Officials Clinic

East Kentwood High School, Kentwood, MI

Wednesday, Aug 2nd, 5:30 – 10:00 PM

Cost: \$25

Includes: Clinic, Dinner, MHSAA Rules Meeting Credit, Training Tapes throughout the Season, Game Evaluations, and 1 Meeting credit towards MIGS.

Purpose: This clinic has been created by request of the OK Conference Commissioner to establish consistency amongst OK Conference football officiating crews. To ensure uniformity, our clinic will focus on mechanics of each position, so that going forward, we can all adhere to the same guiding principles. When we are in proper position and use proper mechanics, our success of making correct calls will be greatly increased.

The Clinic instructional staff will be comprised of nationally prominent officials from the NFL, FBS and FCS who are at the top of their respective groups. You will have the opportunity to listen to, learn and socialize with these individuals at a fraction of normal cost when attending clinics where clinicians of this caliber present.

The program will include group sessions, position meetings, and special instruction on all areas of officiating with a heavy emphasis on mechanics and positioning for both 5 and 7 person mechanics. This is a clinic you will not want to miss out on as it will be well worth your time that evening
